The fine print :

- We're a small shop and our traditional dry cure, cold smoke process takes at least 6 days, so we appreciate early orders. Besides, we're less likely to have run out!
- The blank line in the order form is for special cures we may make for the holidays, please call to inquire.
- We will try to call or email you to confirm receipt of your order, but like we said, we're a small shop and if you don't hear from us, please don't hesitate to call! We love talking to people.
